1. "Public body" means the governing bodies of all municipalities located within this state, boards of county commissioners of the counties in this state, boards of public and higher education in this state and all boards, bureaus, commissions, agencies, trusteeships, authorities, councils, committees, public trusts or any entity created by a public trust including any committee or subcommittee composed of any of the members of a public trust or other legal entity receiving funds from the Rural Economic Action Plan Fund as authorized by Section 2007 of Title 62 of the Oklahoma Statutes, task forces or study groups in this state supported in whole or in part by public funds or entrusted with the expending of public funds, or administering public property, and shall include all committees or subcommittees of any public body. Public body shall not include the state judiciary, the Council on Judicial Complaints when conducting, discussing, or deliberating any matter relating to a complaint received or filed with the Council, the Legislature, or administrative staffs of public bodies including, but not limited to, faculty meetings and athletic staff meetings of institutions of higher education when those staffs are not meeting with the public body, or entry-year assistance committees. Furthermore, public body shall not include the multidisciplinary teams provided for in Section 1-9-102 of Title 10A of the Oklahoma Statutes, in Section 2 of this act, and in subsection C of Section 1-502.2 of Title 63 of the Oklahoma Statutes or any school board meeting for the sole purpose of considering recommendations of a multidisciplinary team and deciding the placement of any child who is the subject of the recommendations.
